

Warren County Recycling

The Convenience Centers will accept the following items:

- Bulky Items (mattresses, bed frames, couches, chairs, other furniture, etc.) This waste is placed into the open top unit.
- White Goods (washers, dryers, stoves, refrigerators, hot water heaters, air conditioners, etc.)
**White goods are not received at 725 US Highway 158 Business West-Site 2.*
- Commingled Recycling

Convenience Centers 1 through 9 are equipped to accept Commingled (mixed) Recycling, which includes a wide range of materials, reduces the amount of disposal garbage, and does not require sorting. The following items are accepted:

- Aluminum and Metal Food Cans
- Paperboard (cereal and shoe boxes)
- Clean White Paper
- Gable-top Paper Cartons (milk cartons)
- Aluminum Foil
- ABC Plastic Beverage Containers
- Plastic Bottles and Jugs (no lids/caps)
- Newspaper/Magazines/Advertising
- Aseptic Juice Boxes
- Junk Mail and Catalogs
- Six Pack Rings
- Glass Bottles (green, brown, and clear)
- Tin and Steel Cans
- Corrugated Cardboard (Separate Container) - Please Flatten Large Boxes.

The following items are accepted at the Transfer Station:

- Inert Debris (brick, block, asphalt, concrete, etc.)
- White Goods (washers, dryers, stoves, refrigerators, hot water heaters, air conditioners, etc.)
- Yard Waste and Land-Clearing Debris (limbs, leaves, brush, small trees, logs, etc.)

There will be a tipping fee for non-household items taken to the Transfer Station:

- **Inert Debris Tipping Fee** of \$18 per ton shall be assessed on all disposal inert debris, yard waste and land-clearing debris, which is brought to the Landfill.
- A **Transfer Station Tipping Fee** of \$65 per ton shall be assessed for all waste brought to the County's Transfer Station.
- An **Annual Household User Fee** of \$115 per household or business not subject to municipal taxation.

For additional information, please refer to the Warren County Public Works brochure.
