

## NOTICE

### WARREN COUNTY PROPERTY OWNERS SOLID WASTE FEE EXEMPTION

Please be advised of the following relative to Warren County's Annual Solid Waste Fee:

- A solid waste fee is assessed annually on all habitable structures in Warren County.
- Property located within the municipalities of Warrenton, Norlina, and Macon is exempt from the solid waste fee.
- Effective July 1, 2011, the solid waste fee is \$115.00.
- This fee appears on your property tax bill as a part of your overall tax statement.

### EXEMPTIONS

You may file for an exemption from this fee if the following is true:

- Property is not habitable or not in use during the fiscal year (July 1, 2011 thru June 30, 2012) for activities that would generate solid waste. A statement must be provided by your electric power company confirming that there is no electrical meter on the structure.
- Property is served by a licensed private hauler/contractor who disposes of solid waste collected in a private facility located outside of Warren County. The private contractor must have qualified for and received a license from Warren County. The property owner must have a valid contract with the private hauler/contractor effective July 1<sup>st</sup> of the fiscal year in which the tax bill was issued.
- Owners of habitable structures that meet the exemption requirements must complete and submit an exemption form every year. Exemptions granted in the current tax year are not carried forward to future tax years.

Solid waste fee exemption forms can be obtained from the Warren County Tax Assessor's Office, 117 South Main Street, Warrenton, NC 27589. For additional information, please contact the Tax Assessors Office at (252)257-4158.
