Dear Warren County Board of Commissioners:

For the last several years, the Warren County ABC Board has used the County's travel policy to govern any instances of travel away from the county. The intent of this letter is to request that the ABC Board be allowed to continue to use this policy, and we seek the approval of this body to do so.

We are hopeful that the commission will grant us its approval for the year of 2017.

Respectfully submitted,

Larry C. Spruill
General Manager
