Quorum was present

The meeting was called to order at 6:00 PM.

No public comments were made.

Mike motioned with Virginia seconding to approve the minutes. Motion carried unanimously.

Willie updated the group on reopening plans. The gym will be open for pickleball, walking and basketball starting next week per the schedule approved at the February meeting. Baseball and softball registration will be from March 29th until April 10th with games starting May 17th. Milo voiced concern over reopening.

At the last BOC meeting, the county commissioners approved the basketball and tennis improvements identified in the PARTF grant for the M.E.R.P. facility but did not vote on the bathhouse and picnic shelter improvements. This was due to discussion regarding what type of roof to install per Vincent.

The BOC also approved the reappointments of Calvin, Reinaldo, Ihsan and Tyrone to an additional term on the commission.

With no further business, the meeting was adjourned.
